

St Thomas the Apostle Primary School 2016

Introducing my child and family to the new class teacher

The purpose of this form is to facilitate a smooth transition into a new class, to look after the wellbeing of your child as they build new relationships, and to seek ways for families and school to support each other as we share the amazing journey of educating your child.

You may send the form into school or bring it to the first conversation with your child's new teacher as a guide for your discussion.
