

St Thomas the Apostle School presents its annual

Sh.O.W Afternoon

Tuesday 19 September 2017

From 3:30 -6pm

Do you sometimes wish you could spend some relaxed time at school with your child sharing their learning? Well here's your opportunity! As part of our annual reporting processes we are having our Sh.O.W Afternoon on Tuesday 19 September from 3.30pm-6.00pm.

Sh.O.W stands for **Sharing Our Work**. This is a chance for children to talk to parents about their learning and for parents to offer praise, support and encouragement. It's a great way of helping our children to become proactive learners.

The students will have prepared themselves to share their work with you and each class teacher will be available in their room to chat as well. However, this is not a formal interview time.

All are welcome to come along anytime between 3.30 and 6.00pm for our Sh.O.W afternoon celebrating the educational partnership we share.

We hope to see you all here!
